

Entrepreneurship Course

- learn all areas of how to start a company in Finland

People who are considering entrepreneurship have different backgrounds: goals, skills and knowledge differ from each other. Valmennusmajakka offers you an opportunity to be involved in a training which helps you accomplish your dreams as an entrepreneur.

During this online course you will make concrete business plan for your own business idea. The plan will be made in Tulosmajakka. It is an easy to use practical tool for creating business plans. Tulosmajakka will be at your disposal free of charge after the training. Therefore, you can continue to develop your business plan whenever needed.

Webinars and coaching

The training includes webinars which provide you with in-depth information about how to make your own business plan. The webinars are arranged via the easily mastered GoToMeeting software. You will receive also personal coaching throughout the training programme.
